Press Release

Twin Mining Adds Business Development Expertise

Toronto, Ontario, (January 15, 2001) – Twin Mining Corporation ("Twin Mining") (TWG – TSE) is pleased to announce the appointment of Hendrik Visagie M.B.A., B.Sc. to Consultant - Business Development to support the Company's growth objectives.

Mr. Visagie brings to Twin Mining more than 25 years experience in the mineral resources sector. He has specific experience in northern mines such as Nanisivik and Faro.

At the same time Mr. Dallas Davis becomes Consultant - Diamond Exploration to focus on optimizing exploration programs on Twin Mining's exceptional diamond discoveries at Jackson Inlet, Baffin Island, Nunavut and the TORNGAT Project, located on the east coast of the Ungava Bay, Northern Quebec. Twin Mining's diamond field programs are continuing under the capable leadership of manager Mr. Richard Roy.

The Company's diamond exploration programs follow strict guidelines and controls and are subject to a Quality Control program by recognized companies. Field activities, including geological mapping, kimberlite sampling and sample shipping are controlled by MPH Consulting Limited and kimberlite processing and diamond extraction at Lakefield Research Limited are controlled by MRDI Canada.

Twin Mining, in addition to exploring the Jackson Inlet diamond project on Baffin Island and the TORNGAT diamond project on the east side of Ungava Bay in northern Québec, also holds a gold mining project in Idaho, United States of America.

officers; and any other information which the registrant deems of material importance to security holders.

This report is required to be furnished promptly after the material contained in the report is made public as described. The information and documents furnished in this report shall not be deemed to be "filed" for the purposes of Section 18 of the Act or otherwise subject to the liabilities of that section.

If a report furnished on this form incorporates by reference any information not previously filed with the Commission, such information must be attached as an exhibit and furnished with the form.

C. Preparation and Filing of Report.

This report shall consist of a cover page, the document or report furnished by the issuer, and a signature page. Eight complete copies of each report on this form shall be deposited with the Commission. At least one complete copy shall be filed with each United States stock exchange on which any security of the registrant is listed and registered under Section 12(b) of the Act. At least one of the copies deposited with the Commission and one filed with each such exchange shall be manually signed. Unsigned copies shall be conformed.

D. Translations of Papers and Documents Into English.

Reference is made to Rule 12b-12(d). Information required to be furnished pursuant to General Instruction B in the form of press releases and all communications or materials distributed directly to security holders of each class of securities to which any reporting obligation under Section 13(a) or 15(d) of the Act relates shall be in the English language. English versions or adequate summaries in the English language of such materials may be furnished in lieu of original English translations.

Notwithstanding General Instruction B, no other documents or reports, including Prospectuses or offering circulars relating to entirely foreign offerings, need be furnished unless the issuer otherwise has prepared or caused to be prepared English translations, English versions or summaries in English thereof. If no such English translations, versions or summary have been prepared, it will be sufficient to provide a brief description in English of any such documents or reports. In no event are copies of original language documents or reports required to be furnished.
